

VistaGen Therapeutics to Participate in Baird's 2021 Global Healthcare Conference

September 8, 2021

SOUTH SAN FRANCISCO, Calif., Sept. 08, 2021 (GLOBE NEWSWIRE) -- [VistaGen Therapeutics](#) (NASDAQ: VTGN), a biopharmaceutical company committed to developing a new generation of medicines with the potential to go beyond the current standard of care for anxiety, depression, and other central nervous system ("CNS") disorders, today announced that management will participate in Baird's 2021 Global Healthcare Conference, including a fireside chat with Shawn Singh, Chief Executive Officer, on Tuesday, September 14 at 12:10 p.m. Pacific Time and one-on-one meetings throughout the two-day conference.

A live webcast of VistaGen's presentation will be accessible through the [News/Events](#) page of the Investors section of the Company's website at www.VistaGen.com.

About VistaGen

VistaGen Therapeutics is a biopharmaceutical company committed to developing and commercializing innovative medicines with the potential to go beyond the current standard of care for anxiety, depression, and other CNS disorders. Each of VistaGen's three drug candidates has a differentiated potential mechanism of action, has been well-tolerated in all clinical studies to date, and has therapeutic potential in multiple CNS markets.
